Stutter by Andy Stochansky

Am

I dream about stars here

G

I dream about bringing you a parade

Am

We read foreign papers

G F

Pretend we re hiding from an air raid

C F

But I can t know

G F

Why I always stutter

Chorus:

C/B

And she...

C

Doesn t care

F

Breathe the same air

C G C/B

I don t have a hope in hell

C

Doesn t see

F

We could agree

C G

This could be so blissful

I will do magic

Houdini s rabbit lives here under my sleeve

I ll saw myself in half

They ll be 2 of us

Always ready to please

But I can t know

Why I always stutter

Chorus

This could be so blissful

let me know how it went,
