[Verse]

**E**      **A**      **G#**

All is forgiven

**E**      **A**      **G#**

All is forgiven

**E**

If there s one thing I feel

If there s one thing I feel

It s knowing you re around

So close but not here

**G#**                      **A**                      **E**

So close but not with me here

**G#**                      **A**                      **E**

So close but not with me here

[Verse]

**E**      **A**      **G#**

All is forgotten

**E**      **A**      **G#**

All is forgotten

**E**

I ve made up my mind

I ve made up my mind

I ve wasted my time

Making up my mind

**A**                      **E**

I don t know anything

**A**                      **E**

I don t know anything

**A**                      **E**

I don t know anything

**A**                      **E**

But I love you

**A**      **E**

Yes I do

**A**      **E**

Yes I do

[Verse]

**E**                    **A**            **G#**  
Will you ever forgive me?

**A**                                **E**  
A thousand times through

**A**                    **E**  
For loving you?

**A**                    **E**  
For loving you?

**A**                    **E**  
For loving you?
