

**Hi-Five**

**Angel Olsen**

The A is played with a barre chord  
the D and E are regular.

The lyrics are based off a show I saw at the Glasslands in May 2013, the chords  
were discovered here <http://www.youtube.com/watch?v=wg9YZKXhoIU>

**A** **E**  
I feel so lonesome I could cry  
**A** **E**  
But instead I pass the time  
**A** **D** **E**  
Sitting lonely with somebody lonely too  
**A** **D** **E**  
Hey theres nothing in the world Id rather do

**A** **E**  
Now tell me if you dont feel this way  
**A** **E**  
When all I want all I ever need  
**A** **D E**  
Is someone out there who believes?  
**E**  
Sometimes  
**D E**  
Believes  
**E**  
Not always  
**D E**  
Believes  
**E**  
Sometimes  
**D E**  
Believes

**A** **E**  
Now we dont have to take it to extremes  
**A** **E**  
We ll keep our legs, our hands even our lips apart  
**D** **E**  
But Im giving you my heart  
**D E**  
My heart!  
**D** **E**  
Are you giving me your heart?  
**D E**  
your heart?  
**D E**  
Are you lonely too?

**D** **E**  
Are you lonely too?

**D** **E**  
High Five

**D** **E**  
So Am I

**D** **E**  
All of your life

**D** **E**  
Stuck Inside

**D** **E**  
Well Im stuck too

**D** **E**  
Im stuck with you

**D** **E**  
Do you believe?

**D** **E**  
I do

**D** **E**  
Oh I do

**D** **E**  
I do

End on D
