

May As Well
Angel Olsen

A **D**
I may as well have been forgotten
E **A**
or did it simply slip your mind?
A **D**
Is that my heart that s splitting open?
E **A**
I guess it just fell to the side
A **D**
I ve tried my best to keep you smiling love
E **A**
Maybe it s been all in vain
A **D**
But I would try a million times my dear
E **A**
Tell me would you do the same?
A **D**
One could say it s complicated love
E **A**
Like nothing they ve seen before
A **D**
or simply that it is a thought we share
E **A** **A E F#**
forever it must be ignored

F# **E** **D** **A** **A E F#**
If you really love me there s no way to tell
F# **E** **D** **A** **A E F#**
I m always arriving when you say farewell
F# **E** **D** **A** **A E F#**
In all of my dreams we re husband and wife
