 C
Saw it in her eyes

 C
No it wasn't what she said

 C
She came together like a dream

 C
That I didn't know I had

 F
From the sleepin' life I lead

 G
All the colours I have seen

 F
I can't help but recognise

 G
The brighter one in front of me

 F C
Oh the truth I thought I learned

 G F C
And then it finally came along

 G F C
Turn around and then it's there

 G F C F
All the love I thought was gone

 D7 F
I want to know you

 D7 F
I want to show you

 D7 F
I want to be there

 D7 F
I want to see her

 G F
Piece us together

 G F
Know it's forever

 G F

Show me the future

G F

Tell me you ll be there

D7 F

I want to go where

D7 F

Nobody knows fear

G F

I want to follow

G

My heart down that wild road

F C

Everywhere i go

G F C

I can see your face

G F C

Alive and gone at once

G F C

Its the way i see this place

G F C

And all this blessing was a curse

G F C

Before i opened up my heart

G F C

You learn to take it as it comes

G F C

You fall together, fall apart

F

D7 F

I want to know you

D7 F

I want to show you

D7 F

I want to be there

D7 F

I want to see her

G F

Live it through your eyes

G F

Piece us together

G F

Know that this wild road

G F

will go on forever

G F

i want to live life

G D7

i want to die right

C F

Next to you

C F

Next to you

C

F

Next to you

(C)

F

G

All my life i thought i d change
