

Free Man
Angel Witch

Dm **C** **Bb** **A**
I ve been locked away for all these years
G **A** **Dm** **C**
Now I can see the light of day
Dm **C** **Bb** **A**
Things have changed a lot since I was last out here
G **A** **Dm** **C**
I guess that s the way things, way things go...

Dm **C** **Bb**
Now I m free and I donâ€™t care
Dm **C** **Bb**
I don t give a damn what happens in there
Dm **C** **Bb**
Yeah Iâ€™ve been through, quite a life
Dm **C** **Bb**
Because now I m a freeman

Dm **C** **Bb** **A**
As I look around, I can remember my old home
G **A** **Dm** **C**
Now there s a tower block in it s way
Dm **C** **Bb** **A**
I remember all my friends and my wife
G **A** **Dm** **C**
They don t want to know me anymore...

Dm **C** **Bb**
They wouldn t listen, they didn t understand
Dm **C** **Bb**
They accused me of crime I didn t commit
Dm **C** **Bb**
It was some other guy, but it wasn t me
Dm **C** **Bb**
They wouldn t give in, they wouldn t believe me

Dm **C** **Bb**
But now I m free and I donâ€™t care
Dm **C** **Bb**
I couldn t give a damn what happens in there
Dm **C** **Bb**
Yeah Iâ€™ve been through, quite a life
Dm **C** **Bb**
Because now I m a freeman
