

First Contact Intro
Angels Amp Airwaves

First Contact

It didn't take too long to figure this out, but I believe it's really accurate. I know there's another tab for some AVA riff somewhere on the net but I didn't take the time to read it.

Intro

```

e|---9-----9-----9-----9-----9-----9-----9-----9
-----|
B|-----10-----10-----10-----10-----10-----10-----10
-----|
G|-----6-----6-----6-----7-----7-----7-----7-----9-----9-----9-----9-----7-----7-----7-----7
-----|
D|
-----|
A|
-----|
E|
-----|

```

There is also another way to do the intro which I find easier and sounds a bit more accurate.

```

e|
-----|
B|---14-----14-----14-----14-----14-----14-----14-----14
-----14-----|
G|-----14-----14-----14-----14-----14-----14-----14
-----14-----14-----|
D|-----11-----11-----11-----11-----12-----12-----12-----12-----14-----14-----14-----14-----
12-----12-----12-----12-----|
A|
-----|
E|
-----|

```

The second part to the riff can start out like this:

```

e|-----| e|-----|
B|-----10---10---| B|-----|
G|---6---6----- or like this: G|-----14---14---|
D|-----| D|---11---11-----|
A|-----| A|-----|
E|-----| E|-----|

```

Of course, I prefer the second way.

The rest of the second part to the riff.

```
e|-----|
B|-----|
G|-----14----14----10----10----9----9---9---9---|
D|---11---11---12---12---11---11---9---9---|
A|-----|
E|-----|
```

Also, they hit an A octave as Tom usually tends to use in his songs.

```
e|-----          e|-----|
B|-----          B|-----|
G|----- and...  G|-----|
D|---7-7---       D|---7---7---7-7-7-7---|
A|---0-0---       A|---0---0---0-0-0-0---|
E|---5-5---       E|---5---5---5-5-5-5---|
```

I cannot wait for this album.
