

G Am
I ll be the moon that shines on your path

C (barred) G
The sun may blind our eyes, I ll pray the skies above

G Am
For snow to fall on the Sahara

use chord progression2:
If that s the only place where you can leave your doubts
I ll hold you up and be your way out
And if we burn away, I ll pray the skies above
For snow to fall on the Sahara

use chord progression1:
Just a wish and I will cover your shoulders
With veils of silk and gold
When the shadows come and darken your heart
Leaving you with regrets so cold
Lost out in the desert
You are lost out in the desert

use chord progression2:
If your hopes scatter like the dust across your track
I ll be the moon that shines on your path
The sun may blind our eyes, I ll pray the skies above
For snow to fall on the Sahara

use chord progression2:
If that s the only place where you can leave your doubts
I ll hold you up and be your way out
And if we burn away, I ll pray the skies above
For snow to fall on the Sahara
