This is a great song. If you haven't heard it just go download it. It's really easy to play, but as most

Aparo songs go, it's hard to sing at parts.

If you have any questions or comments please feel free to email me. Thanks.

F **G** **Am**
God bless the lonesome, the bottle that owns them is cursed

Am/G

Will you hold me
God only knows why some say their goodbyes first
Will you hold me

F **G**
If all I had was one more day
Am **Am/G**
If all I had, you know I'd say

F **G**
You got a soul of bird that's free
Am **Am/G**
You got love, lighten up this lonely beach
Now there's reason for everything
Now there's a reason the bird will sing
La la la

Goodbye to swallow, it all leaves me hollow, but no
Will you hold me
Who knows the reason why this was your season to go
Will you hold me
If all I had was one more day
If all I had, you know I'd say

You got a soul of bird that's free
You got love, lighten up this lonely beach
Now there's reason for everything
Now there's a reason the bird will sing

F Em
There's a reason

Am D
For every season

F Em
There's a reason

Am D

You got a soul of bird that s free
You got love, lighten up this lonely beach
Now there s reason for everything
Now there s a reason the bird will sing
Now there s a reason for everything
Now there s a reason the bird will sing

There s a reason For every season
Don t know the reason For your leavin
Don t know the reason
