

Always More

Angra

[Intro] **E A7M E A7M**

E

If I could command the wind

A7M

I would make it blow a whisper to you

E

On a soft and quiet breeze

A7M

Cause I see what you re going through

E

Going through

(**E A7M E A7M**)

E

If I could convince the angels

I would have them blowing

A7M

Words of wisdom in your ears

E

With the dinging sound of bells

A7M

E

Just to make you understand what I mean

A

That there s always more

E/G#

There s always more

F#

E

Always more to learn

A

There s always more

E/G#

Always more

F#

E

There s always more to know

A (**B C#m**)

Cause there s always a reason

E (**E/G# A**)

There s always a way

D

B

There s always a better word to say

A (**B C#m**)

And there s always an answer

E (E/G# A)

There s always a why

D B

There s always a chance to give a try

A E/G#

There s always more, always more

F# E

Always more to know

A E/G#

Always more, always more

F# E

Always more to love, to live, to sing, to cry

A (B C#m)

Cause there s always a reason

E (E/G# A)

There s always a way

D B

There s always a better word to say

A (B C#m)

So let s say you have answers

E (E/G# A)

So let s say you know why

D B

Let s say you have reached the final line

A E/G#

There s always more

F# E A E/G#

And always more to learn

F# E

Always more for us

(**E A7M E A7M E**)
