

Crushing Room

Angra

**Cm Cm/Bb Ab Fm Cm**  
These days I can not find a way out of the dark  
**Cm/Bb Ab Fm**

I ve lost my senses

**Cm Cm/Bb Ab Fm Cm**  
In my reflection a shadow of the man  
**Eb Ab**

I m just a stranger to myself

**Cm Bb Cm Fm Ab Bb**  
Oh... The silence... Keeps coming...

**Ebm F#**  
Please don t cry again

**B**  
Please don t shed a tear

**Ebm F# Abm Bb**  
Cause I can t bear to face what I did

**Ebm F#**  
Let me take your hand

**Abm**  
Please let me back to your side

**B Bm F#**  
In your eyes I see what I ve become

**Cm Cm/Bb Ab Fm Cm**  
This room without you becomes way too small  
**Cm/Bb Ab Fm**

I feel it s crushing my brain

**Cm Ab Cm**  
My broken mirrors, glass on the floor  
**Eb Ab**

Scattered pieces of my soul...
