

Final Light
Angra

Cm **G**
You take the time to find a way

And though it seems so clear

G# **Fm**
A silent wonder still remains

Cm **G**
Is there more for me to learn?

G# **Fm**
Massive universe, save me once again

G **G#** **Fm**
All the answers only led us to the edge

C **Eb** **C#**
A final light never came and never will
G

So we fall and rise and walk again

G# **Fm**
The matter still prevails

C **Eb** **C#**
The final light is the path and not the end
C

It s not the end
