**Dadd9 Gm7 Dadd9**

Where you come from?

In this dance around the isle

Empty screams are all beyond the time

**Fsus2**

Then you come

**Gm**

Like an angel from the skies

**Ebsus2**

Leases all my dreams

**Bb**

I wonder why

**Bbm**

You are gone

**Dm Ebsus2**

Someday you ll return

(repetir os acordes da primeira parte)

Where do you come from?

Far away beyond

Virgin as a diamond

Precious like a child

And I hang my heart (repeat x5)
