F#m
caught in space and time

C#m
like a bird in are cage

Bm
cruelly confined

F#m E
in a passing matters state

F#m
you suddenly realized

C#m
that the wrong is the right

Bm
daring the laws

F#m E
ready to put up a fight

But...
F#m Bm
love will drag your heart away

D E F#m
to a world as dream are made

Bm
can t hide away

D C#m Bm
when your helpless mind obeys

Bm D G
together we wait in silence

Em
(still are the cries)

Bm D G
forever the fate is hungry

Em
for your sure

Bm D G
together we wait in silence

Em
(still are the cries)

Bm D G
worth your while until you re gone

```
E F#m          A E
  all the secrets of life reveal
          D      C#m      F#m
  to my eyes I can t conceal
F#m          Bm
  and again I fly away
          D          C#m      Bm
  to a world where dreams are made
```

```
Bm          D      G
together we wait in silence
Em
```

(still are the cries)

```
Bm          D      G
forever the fate is hungry
```

Em

for your sure

```
Bm          D      G
together we wait in silence
```

Em

(still are the cries)

```
Bm          D      G
worth your while until you re gone
```

```
Bm          D          G
life s to short too grieve in sorrow
```

Em

(still are the cries)

```
Bm          D          G
fate is waiting for your soul
```

Em

(secrets inside)

```
Bm          D          G
live your life like no tomorrow
```

Em

(still are the cries)

```
Bm          D      G
worth your while until you re gone
```
