G#m

caught in space and time

Ebm

like a bird in are cage

C#m

cruelly confined

G#m F#

in a passing matters state

G#m

you suddenly realized

Ebm

that the wrong is the right

C#m

daring the laws

G#m F#

ready to put up a fight

But...

G#m C#m

love will drag your heart away

E F# G#m

to a world as dream are made

C#m

can t hide away

E Ebm C#m

when your helpless mind obeys

C#m E A

together we wait in silence

F#m

(still are the cries)

C#m E A

forever the fate is hungry

F#m

for your sure

C#m E A

together we wait in silence

F#m

(still are the cries)

C#m E A

worth your while until you re gone

( Bbm F# G# ) 2x

( Bbm B F# G# )

Aí vem o riff do baixo e depois entra isso aqui:

```
E|-----|-----|-----| 3x
B|-----|-----|-----|
G|-----|-----|-----9--8-6-----| só
que depois da
D|-----6-----4-2---|-----4-----4---7-|-----6-7-----7-6-----6-11-6-9-7--9-----| 1ª
vez eles usam
A|---6-----4-----4-|---4-----2---4---|---6-----7-----7-----7-----11-----| o
acorde de G#m
E|-4-----5-----| -2-----0-----| -4-----9-----7-----|
| como passagem
```

Base do solo: Ebm G#m B Bbm

```
F# G#m          B F#
all the secrets of life reveal
      E      Ebm      G#m
to my eyes I can t conceal
G#m          C#m
and again I fly away
      E      Ebm      C#m
to a world where dreams are made
```

```
C#m          E      A
together we wait in silence
F#m
(still are the cries)
C#m          E      A
forever the fate is hungry
      F#m
for your sure
C#m          E      A
together we wait in silence
F#m
(still are the cries)
C#m          E      A
worth your while until you re gone
```

```
C#m          E      A
life s to short too grieve in sorrow
F#m
(still are the cries)
C#m          E      A
fate is waiting for your soul
F#m
(secrets inside)
C#m          E      A
live your life like no tomorrow
F#m
(still are the cries)
```

```
C#m           E          A  
worth your while until you re gone  
F#m                  C#m  
Fate s gonna take your soul!
```
