O riff serve pra parte que ela faz a base e toca o riff a base ã© a mesma Bb D# C

Bb **D#** **C**
What am I supposed to do, when there s no getting over you?

Bb **D#** **C**
What am I supposed to say when I know that you re miles away

Bb **D#** **C**
How could it be that you don t even know my name?

Bb **D#** **C**
What will I do when there s no one but you?

G **Bb** **D#** **C**
Well many people say that I should let you go your way

G **Bb** **D#** **F**
But in my head I know that I will seize the day

(Riff Com Outra guitarra em cima do G menos na ultima frase: High and..)

Bb **D#** **C**
So many people think that I ve gone a little mad

Bb **D#**
And everyone around me says that I should pack up
C

And find a better Fuck plan

Bb **D#** **C**
But who am I to fake when I wish we were together baby

Bb **D#** **C**
High and dray I find myself alone, and it s no better

Refrãfo

Bb **F** **D#** **C**
If you don t want me Well I just want you dead

Bb(com riff) **D#**
I find it hard to live when all I want is you

Bb **F** **D#** **C**
The key to misery when I m by myself and thinking

Bb
That nothing will ever take your place
But no one will ever walk away

Bb (riff)

Bb
From me but all I really have to say

Bb F D# C
All I want is you!
Well I just want you dead!
But you re killing me instead.
All I want is you!
