G 3-2-0-0-0-3-|
C 0-3-2-0-1-0-|

```

[Verse 1]

```

Em          G
It s been days now
          Em              G
and you change your mind again
Em          G
it feels like years,
          Em              G
and I can tell how time can bend your ideas

```

[Chorus]

```

          C          G          C          G
And the boys go on and on and on and on
          C          G          C
and the boys go on and on and on and on
          G          C          G
and there s gold falling from the ceiling of this world
          C          G
falling from the heartbeat of this girl

```

C
G
 falling from the things we should have learned
C
