**Angus & Julia Stone**

I tried to look up this tab on the internet but I couldn't find it anywhere...  
Well,  
here it is. It's my first tab so don't hesitate to correct me if I got anything  
wrong.  
The rhythm is pretty simple, just listen to the song and you'll figure out the  
strumming  
and bass notes.  
Enjoy!

My farewell's tonight

There you leave on a flying ship

Upon the port I would just sit and wait

It feels like a rusty knife

In my hand your heart sits

The more I squeeze

The more it just slips away

Change, change, change, it's over us now

Like one big cloud
