

Hold On

Angus & Julia Stone

Am **C** **F**

And I m waiting for the day

Am **C** **F**

I know you ve got your part

Am **C** **F**

And I m waiting for the day

Am **C** **F**

I know you ll have the heart

Am **C** **F**

And I m hoping that you ll say

Am **C** **F**

That you loved me all this time

Am **C** **F**

But it turns out just the same

Am **C** **F**

And you break apart the things I had

Am **C** **F**

Hold on, what did you say that for?

Am **C** **F**

Hold on, what did you say that for?

Am **C** **F**

Hold on, what do you take me for?

Am **C** **F**

Hold on, what do you take me for?

Am **C** **F**

And I m waiting for the day

Am **C** **F**

Inside my mother s clothing store

Am **C** **F**

And I m waiting for the day

Am **C** **F**

What am I waiting for?

Am **C** **F**

Hold on, what did you say that for?

Am **C** **F**

Hold on, what did you say that for?

Am **C** **F**

Hold on, what do you take me for?

Am **C** **F**

Hold on, what did you say that for?
