Angus Wilson - When You Sing   (115BPM) (3:40) (No Capo) (Half Down Tuning)

Verse 1:
```
          F#              D
Was it my fault

D          A             E                    (SOFTLY)
You slipped away      from  me

E        F#
Come to a halt

D                       A          E
And I ll pull you back home ..to    me.

E          F#              D
Sing for me baby    Al        ways
