As Is- Ani Difranco
>From Little Plastic Castle
Capo @ 1st fret

Verse:

A E F#m D
You cant hide behind social graces
A E F#m D
So don t try to be all touchy feely
A E F#m D
Cause you lie in my face of all places
A E F#m D
But I ve got no problem with that really
What bugs me is you believe what you re saying
What bothers me is you don t know how you feel
What scares me is while you re telling me stories
You actually believe that they are real

Chorus:

F#m E D E F#m
I ve got no illusions about you
F#m E D E F#m
Guess what I never did
F#m E D E F#m
When I said, when I said Ill take it
F#m E D E
I meant, I meant
A E F#m E A E F#m E
as is, as is , as is, as is

Just give up and admit you re and asshole
You would be in some good company
And I think you d find that your friends would forgive you
Or maybe I am just speaking for me
Cause when I look around, I think this just isn t good enough

So I try to laugh at whatever life brings
When I look down, I just miss all the good stuff
When I look up, I just trip over things

I ve got no illusions about you
Guess what...I never did
When I said, When I said I ll take it
I meant, I meant as is
