As Is- Ani Difranco  
>From Little Plastic Castle  
Capo @ 1st fret

Verse:

**G# Eb Fm C#**  
You cant hide behind social graces  
**G# Eb Fm C#**  
So don t try to be all touchy feely  
**G# Eb Fm C#**  
Cause you lie in my face of all places  
**G# Eb Fm C#**  
But I ve got no problem with that really  
What bugs me is you believe what you re saying  
What bothers me is you don t know how you feel  
What scares me is while you re telling me stories  
You actually believe that they are real

Chorus:

**Fm Eb C# Eb Fm**  
I ve got no illusions about you  
**Fm Eb C# Eb Fm**  
Guess what I never did  
**Fm Eb C# Eb Fm**  
When I said, when I said Ill take it  
**Fm Eb C# Eb**  
I meant, I meant  
**G# Eb Fm Eb G# Eb Fm Eb**  
as is, as is , as is, as is

Just give up and admit you re and asshole  
You would be in some good company  
And I think you d find that your friends would forgive you  
Or maybe I am just speaking for me  
Cause when I look around, I think this just isn t good enough

So I try to laugh at whatever life brings  
When I look down, I just miss all the good stuff  
When I look up, I just trip over things

I ve got no illusions about you  
Guess what...I never did  
When I said, When I said I ll take it  
I meant, I meant as is
