intro : **C#m** **Bm** **Aadd9** (repeat x2)

Verse 1:

C#m **Bm** **Aadd9**
The sky is grey, the sand is grey, and the ocean is grey.
C#m **Bm** **Aadd9**
I feel right at home in this stunning monochrome, alone in my way.
C#m **Bm** **Aadd9**
I smoke and I drink and every time I blink I have a tiny dream.
C#m **Bm** **Aadd9**
But as bad as I am I m proud of the fact that I m worse than I seem.

Chorus:

C#m **Aadd9**
What kind of paradise am I looking for?
C#m **Aadd9**
I ve got everything I want and still I want more.
C#m **Aadd9**
Maybe some tiny shiny thing will wash up on the shore.

Verse 2:

C#m **Bm** **Aadd9**
You walk through my walls like a ghost on TV You penetrate me.
C#m **Bm** **Aadd9**
And my little pink heart is on its little brown raft floating out to sea.
C#m **Bm** **Aadd9**
And what can I say but I m wired this way and you re wired to me
C#m **Bm** **Aadd9**
And what can I do but wallow in you unintentionally?

Chorus:

C#m **Aadd9**
What kind of paradise am I looking for?
C#m **Aadd9**
I ve got everything I want and still I want more.
C#m **Aadd9**
Maybe some tiny shiny key will wash up on the shore.

Verse 3:

C#m **Bm** **Aadd9**
Regretfully, I guess I've got three simple things to say.

C#m **Bm** **Aadd9**
Why me? Why this now? Why this way?

C#m **Bm** **Aadd9**
Overtone s ringing, undertow s pulling away.

C#m **Bm** **Aadd9**
Under a sky that is grey, on sand that is grey, by an ocean that s grey.

Chorus:

C#m **Aadd9**
What kind of paradise am I looking for?

C#m **Aadd9**
I've got everything I want and still I want more.

C#m **Aadd9**
Maybe some tiny shiny key will wash up on the shore.
