isn t there a kitten stuck up a tree somewhere

I am not an angry girl but it seems like I ve got everyone fooled every time I say something they find hard to hear they chalk it up to my anger and never to their own fear and imagine you re a girl just trying to finally come clean knowing full well they d prefer you were dirty and smiling

and I am sorry I am not a maiden fair and I am not a kitten stuck up a tree somewhere

solo: G#m B E F# (2x)

and generally my generation wouldn t be caught dead working for the man and generally I agree with them trouble is you gotta have youself an alternate plan and I have earned my disillusionment I have been working all of my life and I am a patriot I have been fighting the good fight and what if there are no damsels in distress what if I knew that and I called your bluff? don t you think every kitten figures out how to get down whether or not you ever show up

I am not a pretty girl I don t want to be a pretty girl no I want to be more than a pretty girl
