You don t need to change the tuning on your guitar. That s annoying and this is right, I think.

VERSE

Bb5 C5
you were fresh off the boat from virginia

D5 C5 D5 C5
i had a year in new york city under my belt

Bb5 C5
we met in a dream, we were both 19

D5 C5 D5
i remember where we were standing

D5 C5 D5
i remember how it felt

Bb5 C5
2 little girls growing out of their training bras

D5 C5 D5 C5
this little girl breaks furniture, this little girl breaks laws

Bb5 C5 D5
2 girls together, just a little less alone

D5 C5 D5 C5
this little girl cries wee wee

C5 **Bb5** **C5** **D5** **C5** **D5** **C5**
all the way home

you were always half crazy, now look at you baby
make about as much sense as a nursery rhyme
love is a piano dropped out a four story window
and you were in the wrong place at the wrong time

i don t like your girlfriend, yeah i don t like her
never seen one of your lovers do you so much harm
i loved you first and you know i would prefer
if she didn t empty her syringes into your arm

BRIDGE

F5 **G5** **A5** **Bb5**
here comes little naked me padding up to the bathroom door

F5 **G5** **A5** **Bb5**
to find little naked you slumped on the bathroom floor

F5 **G5** **A5** **Bb5**
so i guess i ll just stand here with my back against the wall

F5 **G5** **A5** **Bb5**
while you distilled your whole life down to a 911 call

VERSE

(same chords as before)
so now you bring me your bruises
so i can oh and ah at the display
maybe i m supposed to make one of my famous jokes that makes everything ok
maybe i m supposed to be the handsome prince who rides up and unties your hands
or maybe i m supposed to be the furrow-browed friend who thinks she understands

REPEAT BRIDGE

here comes little naked me... etc.

to play open or barre chords, substitute these ones in:

D5 = **Dm**

C5 = **C**

Bb5 = **Bb**

F5 = **F**

G5 = **Gm**

A5 = **Am**

I hope that s right!
