

Standing In This Fire

Anika Moa

This is my first tab. I hope it is correct or close to it.

I can't get the chords to sit above the correct lyrics?? Listen to the for the changes.

Capo 4

Am **Em** **Am** **Em**
Could there be a time when we could be friends.

F **G** **Am**
I know that I'm over you

Am **Em** **Am** **Em**
I know it's a risk by leaving your side

F **G** **Am**
It's a feeling my heart can't undo

G **F** **Em**
I don't wanna be as lonely as I feel

G **F** **Em**
But maybe I'm here cos you left me high and dry

F **Em** **F** **Em** **Am**
The woman who has no heart is me

Chorus

F **Am**
And I'm standing in this fire

F **Em** **F** **Em**
The flames are rising high

F **Am**
Could you ever forgive me

F **Em** **F** **Em**
I never meant to break your heart

F **Em** **Am**
And you never meant to break mine

Am Em Am Em
I was so nervous of waking up alone

F G Am
But does it mean I m stronger now?

Am Em Am Em
Life is a lie and honesty is meaningless

F G Am
Cos you know that I honestly tried

G F Em
I don t wanna be as angry as you are

G F Em
Maybe I m here cos I punished you for so long

F Em F Em Am
The woman who has no heart is me

Chorus

F Am
And I m standing in this fire

F Em F Em
The flames are rising high

F Am
Could you ever forgive me

F Em F Em
I never meant to break your heart

F Em Am
And you never meant to break mine

F Em Am

F Am
Make this harder say I m crazy

F Em F Em
But please don t be mean to me cos I really tried

F Am
Could you ever forgive me

F Em F Em
but I never meant to break your heart

F Em Am

And you never meant to break mine
