E

There ll be time to get by to get dry after the swimming pool

E

There ll be time to just cry i wonder why it didnt work out

E

There ll be time to fish fry for letters by yours truly

E

Yours truly

F#m E A E

F#m

Someone in my dictionary s up to no good

E

I never find the very special words I should

A

So I have another party with a water glass

E

and I sit on all your actions its a birthing game

F#m

and I ll bet he needs a shower cause hes just like me

E

and the soldiers in the painting know your secret face

A

Well your parrot told me just how I can make you smile

E

Gonna let you do your thinking if you need awhile

F#m

but what I gave you made him get mad

E

A little bit funny how a thing like that

A

Could travel from one mouth in through another

E

and the next thing you know you gotta hear it from your brother and

F#m

The words they sting like a stump of old wasps

E

Remember when I said go throw the rock in there

A

and we ran through the woods to our good house

E

You forgot about the things that he could say like

F#m

I dont think that I like you anymore

E

Well I found new feelings at the feeling store

A

and I cant find you at our kissing place

E

and i m scared of those new pair of eyes you have

F#m

E

So I duck out and go down to find the swimming pool

A

E

Hop a fence, leave the street and wet my feet I ll find a swimming pool

F#m

E

Cause when I m snuffed out I doubt I ll find a swimming pool

A

E

Hop a fence, leave the street and wet my feet I ll find a swimming pool

F#m

But I don t wish that I was dead

E

A very old friend of mine once said

A

that either way you look at it you have your fits

E

I have my fits but feeling is good

F#m

confusions not a kiddney stone in my brain

E

but if were miscommunicating do we feel the same?

A

Then either way you look at it you have your fits

E

I have my fits but feeling is good
