

Doggy

Animal Collective

This is just a rough sketching of it in standard tuning. When played with the real song sounds completely different, but alone it sounds nice. The first part is sliding barre up the neck and then back down. A star denotes barre for example Am* mostly for ease of playing.

Won t you come down doggy

Such a sweet doggy

G#m

I brought you your dinner

Bbm(o) G#m Bbm

F#*

My doggy i miss you kissing from my palm

Bbm

I remember when i first got you doggy

C# G#m F#*

But you lay there so still doggy

C# G#m

You lay there

F#*

So still

Dog who fell to the ground

Twisted your neck doggy

Don t look right doggy

The bet came with sutures

He said Dave

Hay the doctor cannot save you dog

But I remember when I first got you dog

You lay there so still dog
You lay there so still

Dog of depth in the dirt
They buried you deep doggy
You're the best doggy
My friend has a doggy
She's real nice dog
I wish you could chase her round my yard

I remember when I first got you dog

But you lay there so still doggy
You lay there so still
