

Doggy

Animal Collective

This is just a rough sketching of it in standard tuning. When played with the real song sounds completely different, but alone it sounds nice. The first part is sliding barre up the neck and then back down. A star denotes barre for example Am* mostly for ease of playing.

Intro: **A***

Bm* C#m* Bm* A* G#
Dog of height in the trees
D
Won t you come down doggy

Such a sweet doggy

Bm

I brought you your dinner

C#m(o) Bm C#m A*
My doggy i miss you kissing from my palm
C#m

I remember when i first got you doggy

E Bm A*
But you lay there so still doggy

E Bm
You lay there

A*
So still

Dog who fell to the ground
Twisted your neck doggy
Don t look right doggy
The bet came with sutures
He said Dave
Hay the doctor cannot save you dog

But I remember when I first got you dog

You lay there so still dog
You lay there so still

Dog of depth in the dirt
They buried you deep doggy
You're the best doggy
My friend has a doggy
She's real nice dog
I wish you could chase her round my yard

I remember when I first got you dog

But you lay there so still doggy
You lay there so still
