GRASS - Animal Collective

Tabbed by: Francis

Tuning: DADF#ad with capo 5 i believe, but this tab is in standard :)

I have tabbed this based on the live acoustic version they performed at the Dirretto(sp) Campus

Bb Dm

i was walking on feet just like my fathers

Bb D

and my knees were trying to reach you at your mothers

Bb Dm

cause my nose was screaming that you smelled like a lover

Bb Dm

but my handswere happy to treat you like a brother then

Α

we do the dance up on the plains

Вb

then i shake your shoulders

F

you push me down into the grains

F

who rubs our noses in the night? we do we do

Вb

pow pow now now pow pow now now

Bb Dm

ive been into the plants and simple treasures

Bb Dm

and i sew patches on pants and i get pleasure

Bb Dm

and i dont make particular plans cause they dont matter

Bb Dn

if you keep on foolin in bed with my sleeping patterns

Α

we do the dance up on the plains

Вb

then i shake your shoulders

F

you push me down into the grains

F

who rubs our noses in the night? we do we do

Bb

pow pow now now pow pow now now

N.C.

Whats with all the changes since the time i was aware its like the apple eating people that we once were arent there

Did they empty out their pockets and debase their younger faces and you must make sure your happy when you leave your summer places pretty little femur sitting in my cherry dream boat id be sad if your

rejected from my hip bone and my knee if i sailed away from continents and touched my lovers hair then youd be very happy if i touched her there

Youd be very happy if i touched her there, i was very nervous how i felt in there i was very cautious whatd you say hey there

Bb

would you like to see me often though you dont need to see me often cause id like to see you often though i dont need to see you often

Α

we do the dance up on the plains

Вb

then i shake your shoulders

F

you push me down into the grains

F

who rubs our noses in the night? we do we do

Вb

pow pow now now pow pow now now
