Animal collective - Honeycomb

Standard tuning

B (listen to the song for the rythmic)

**B** **A**  
How many times you say I m through with this and you mull it over  
**B** **A**  
How many times you say I m sticking to this and you pull it over  
**B**  
How many times you say I m finished with this and it starts all over  
**B**  
How many times you say I m moving to this but it won t move over  
x2

**Ab** **A**  
How many times you say I ve had it today I m just kicking over  
**B**  
To see the other side of unused time and lackluster feeling

**B** **A**

**B**  
To see the other side of unused time and lackluster feeling

**Ab** **A**  
How many times you wait with nothing today the evening is over  
**B**  
Someone s gone and made a glowing line in your pretty brown eyes

**Ebm7**  
If you fill up your heart

**E**  
It spills outside

**F#7** **B**  
You ll find everything inside the heart but not with the hive

**Ebm7**  
And you ll fight like a dog

**E**

And you won't go why

**F#7**

**B**

Even all the impossible places you'll go in your life

**Ab**
