Ive Got Mine Animal Collective

This is my first submission to UG, enjoy!

Animal Collective // I ve Got Mine

Е

troubles come and go A any way they want to

doin what they ought to

Е

i ve got mine

Α

some that quickly pass others they seem to last

Ε

hold on

salvation comes for free
A
singing on the shadows
it widens and it narrows

Е

i ve got mine

A

if heaven were lined with gold heaven would be bought and sold

Е

hold on

people kill for love
A
taking it as plunder
paid in blood and thunder

Е

ive got mine

Α

when will turn to sand this bell stains our hands

Е

hold on

sing a song of sorrow **A** truth forever bending hopeful never ending

Е

i ve got mine

A

tears beyond control try to clean my soul

hold on
