

Water Curses
Animal Collective

Water Curse - first song from the EP.

I typed this all in perfectly, but Ultimate Guitar decides to mess up all the position where the chords should be, so sorry about that. But, it s not too hard to hear when the change in the song, so just listen for that and figure it out

Intro: **D#**

Verse:

D#

Two days, a motion actor

Gm

Two broken strings, a tractor

G#

D#

A groom, a face, a life-filled room

Gm

It s a date before a cornea and a wish could be a bad thing

G#

D#

My mouth is just a mush of drool

D#

I m standing on a bridge

Gm

I wink at her from up high

G#

D#

Trout and fish comes as she moves

I want to be like water,

Gm

And never need a doctor,

G#

D#

And carve the earth without my tools

Chorus:

G#

C#

F#

All of the things that I relate to well, like authors and painters

C#

Transparent paper dreams that float above me while I sleep

G#

C#

To make the room more natural

G#

So you could die in em

C#

Die in em, die

Verse: **D#**

D#

The color after sunset

Gm

You d do anything the drink s at

G#

D#

The crush has come just like a willow

He doesn t need a house

Gm

There s shoes in every house

G#

D#

There s the drips, the black spots on my pillow

D#

I want to be like water

Gm

And slip in through your throat and

G#

D#

Make you feel alive and new

I want to be like water

Gm

And never have a doubt

G#

D#

And crack your legs around my boots

Chorus:

G#

C#

F#

All of the things that I relate to well, like authors and painters

C#

Transparent paper dreams that float above me while I sleep

G#

C#

To make the room more natural

G#

So you could die in em

C#

Die in em, die

F# **C#**
 And all the dreams that I awake to read like ghostly paintings
F# **C#**
 And all the things I hate I wish I didn t have to hate
G# **C#**
 To find a room that s natural
G#
 To live on by in em
C#
 by in em, by

For the next part, just go back and forth between C and C#, switching with
 basically
 word. If you listen to it, you ll get it.

I don t think you know just what you re doing
 You pretend to know exactly all the things you keep on moving
 Said, I don t think I know exactly what I m doing
 You pretend to know exactly all the things you keep on moving

C# **F#**
 When you wake up from your snoozin
G# **C#**
 Gonna tell you how to do it my way
F#
 Gonna tell you what I m doin
G# **C#**
 Raising knife up in my drum

F#
 Anybody s dog is barking
G# **C#**
 And I can t find a way to stop it
F#
 It s a song about the days you spend
G# **C#**
 Without me at our home

Repeat the last few parts then. Chances are you ll only look at this tab if you
 really
 the song, so I m sure you ll figure it out.
