A **B** **E**
Mold of the fall
 A **B** **E**
I have been frozen there for days
 A **B** **E**
With headlights reflecting in my face
 A **B** **E**
I m iced and cold on your lawn

A
But inside I m okay
 E **A**
I can live without your dime
 E **A**
Where snowmen never melt
 E **A**
Instead they all went shy

E
And if you don t believe in fantasy
 D
Then don t believe in fantasy
 A **E**
Do you not believe in fantasy because it gets you down?

If you don t believe it s raining
 D
I won t tell you that it s raining
 A **E**
Do you not believe it s raining just because it gets you down?
 E
And if you don t believe in happiness
 D
Then don t believe in happiness
A **E**
Don t believe in happiness, but then you might be down

If you don t believe you re dying
 D
Then don t believe you re dying
 A **E**
Do you not believe you re dying just because it gets you down?

D **E**
 Uuuuuuuuuuuu-uuuuuuuuuuu-uuuuuuuuuuu
D **E**
 Uuuuuuuuuuuu-uuuuuuuuuuu-uuuuuuuuuuu
D **E**
 Uuuuuuuuuuuu-uuuuuuuuuuu-uuuuuuuuuuu
D **E**
 Uuuuuuuuuuuu-uuuuuuuuuuu-uuuuuuuuuuu

A **B** **E**
 Our bones are hardwired
A **B** **E**
 And we go dancing on the lake
A **B** **E**
 And sleds will carry us tonight
A **B** **E**
 And snowflakes will blow us on our way

A
 They slide to the sky
E **A**
 Rainbow ice slide downhill
E **A**
 Tears are frozen lovers (?)
E **A**
 So we smile when we re crying

E
 And if you don t believe in fantasy
D
 Then don t believe in fantasy
A **E**
 Do you not believe in fantasy because it gets you down?

 If you don t believe it s raining
D
 I won t tell you that it s raining
A **E**
 Do you not believe it s raining just because it gets you down?

 And if you don t believe in happiness
D
 Then don t believe in happiness
A **E**
 Don t believe in happiness, but then you might be down

 If you don t believe you re dying
D
 Then don t believe you re dying
A **E**

Do you not believe you re dying just because it gets you down?

D **E**
Uuuuuuuuuuuu-uuuuuuuuuuuu-uuuuuuuuuuuu
D **E**
Uuuuuuuuuuuu-uuuuuuuuuuuu-uuuuuuuuuuuu
D **E**
Uuuuuuuuuuuu-uuuuuuuuuuuu-uuuuuuuuuuuu
D **E**
Uuuuuuuuuuuu-uuuuuuuuuuuu-uuuuuuuuuuuu

A (one stroke)
