

Strange Attractor
Animal Kingdom

This is my first time ever making one of these and i don t play guitar very well
but i wanted to make a tab for this song because i love it and there wasn t one
i
hope this isn t horribly wrong x
Capo on 5

Intro:

G
Strange attractor
G
Strange, strange attractor
G
Strange attractor
G
Strange, strange attractor

Verse:

G **C**
The light in your eyes
C
Well it s pulling me in
C **G**
Yeah, it s pulling me in
G **C**
A heart that s still speeding up
C
And it s coming again
C **G**
Yeah it s coming again
G
How did it happen?
G
How did it come?
C **Am**
â€˜Cuz it s taking me over

Chorus:

G **Em**
It only comes in waves
Em **G** **Em**
And then it goes away
Em **G**

Well it must be chemical

Em **G**

Well it must be chemical

Em **G**

Well it must be chemical

G **Em**

Chemical

G **Em**

Chemical

Verse:

G **C**

The light in your eyes

C

Well it s pulling me in

C **G**

And it s pulling me in

G **C**

Push your arms; lift them up

C

And it s coming again

C **G**

Yeah, it s coming again

G

How did it happen?

G

How did come?

C **Am**

Cuz it s taking me over

Chorus:

G **Em**

It only comes in waves

Em **G** **Em**

And then it goes away

Em **G**

Well it must be chemical

Em **G**

Well it must be chemical

Em **G**

Well it must be chemical

G **Em**

Chemical

G **Em**

Chemical

G **Em**

Chemical

G **Em**

Chemical

And somethings happening
It s like coming up for air

Am

Breathe it in again

G **Em**

It only comes in waves

Em **G** **Em**

And then it goes away

Em **G**

Well it must be chemical

Em **G**

Well it must be chemical

Em **G**

Well it must be chemical

G **Em**

Chemical

G **Em**

Chemical

Em **G**

Yeah it must be chemical

Thanks x
