

**I Engineer
Animotion**

Intro: **Am Em Am Em**

Am Em
Don t count on me, I engineer
Am Em
On ev ry move we make from here
Am Em
I ll take the lead, you take the pain
Am Em Am
You see I engineer, this gain

Am Em Am Em
Am Em Am Em

Am Em
Who do you think you fool when you talk about us?
Am Em
Why do you walk on glass when you know it cuts?
Dm F Am Dm F Am
There must be a reason why you put my life in overdrive
Dm F Am
I m up to here with push and shove
Em
From here on in - i ve had enough -

(Volta **A**)

Am Em
Don t count on me, I engineer
Am Em
On ev ry move we make from here
Am Em
I ll take the lead, you take the pain
Am Em Am
You see I engineer, this gain

Am Em Am Em
Am Em Am Em

Am Em
I ll leave it all behind in a cloud of dust
Am Em
There s an even chance i ll shine or bust
Dm F Am
On my own i ve got the time
Dm Am

There s a light ahead at the end of the line.

Dm F Am

Seein you leaves me no doubt

Em

I ll take the wheel - from here all out -

(Volta **A**)

Am Em Am Em

Dm F Am

On my own i ve got the time

Dm Am

There s a light ahead at the end of the line.

Dm F Am

Seein you leaves me no doubt

Em

I ll take the wheel - from here all out -

(Volta **A**) (3x)
