                                  Bm
If I was a man in all but my body
Oh would I now understand you completely
                           Bm
If I was a man in all but my body
       A
If I was walking and talking

 Oh it is dark
              \mathbf{Bm}
And now you will meet me
                                   Bm
Something has changed now I feel it discreetly
Oh now I feel, now I feel you completely
 When you re not walking and talking
        Bm
As a man
 When you re not walking and talking
As a man
