G

The lonely wonâ€™t hold me for good

Peaceful as dreaming she stood

Am

To see her, to be her, to change

As if like a kiss weâ€™re the same

C

Bm

So hold me up, hold me up

Em

If only I could be you

C Bm

Eliza

Am G

Eliza x2

G

My sister, my pistol below

If you could know all that I know

Am

Iâ€™m falling, no warning, no way

Tomorrow, tomorrowâ€™s too late

C

Bm

So hold me up, hold me up

Em

I know that I could be you

C Bm

Eliza

Am G

Eliza x2

F

So dressless and godless I wait

G

To leave this soul behind

F

Untangle the jangle of bells

G

Em, F, G x2

They ring my fear through the night

F **G**

Lalalalala

F **G**

Llallalala~

Em

laalaala
