I m surviving this for sure  
**F#m** **B** **E**  
to win my love takes so much more  
**A**  
Im surviving this for sure  
**F#m** **B** **E**  
to win my love takes so much more

Verse 2

So my friends heard that we re through  
now they think I still love you  
but, you weren t really all that baby!

Like a walk down in the park  
A light chining in the dark  
It s been nothing and now clearly

Refrain

I m surviving this for sure  
to win my love takes so much more  
Im surviving this for sure  
to win my love takes so much more

Stick

It s funny you just changed  
The boy that I once knew  
Started acting strange  
I didn t know just what to do

It seemed I had no choice  
But turn around and leave  
And though for sure i cryed  
It took some time but now I see

Refrain

I m surviving this for sure  
to win my love takes so much more  
Im surviving this for sure  
to win my love takes so much more
