

**Band Of Gold**  
**Anna Nalick**

Capo 4

**D**  
Now that you ve gone  
**A**  
All that s left is a band of gold  
**G**  
All that s left of the dreams I hold  
  
Is a band of gold  
**D**  
And the memories  
**G**  
Of what love could be  
**D**  
If you were  
**G**  
Still here with me  
  
**D** **A**  
You took me from the shelter of a mother I had never known  
  
The love of any other  
**G**  
We kissed after taking vows  
**D** **G**  
But that night on our honeymoon  
**D** **G**  
We stayed in separate rooms  
  
**D** **A**  
I waited in the darkness of my lonely room  
**G**  
Filled with sadness, filled with gloom  
  
Hoping soon  
**D** **G**  
That you d walk back through that door  
**D**  
And love me  
**G**  
Liked you tried before  
  
**D**  
Since you ve been gone  
**A**  
All that s left is a band of gold

All that s left of the dreams I hold

Is a band of gold
