

More Than Melody Intro
Anna Nalick

I m still trying to figure out the rest of the song, but here s the intro:

```
e-----|
B-----|
G-----3-----|      X4
D-----5---5---4-----|
A-----5---5---5-----|
E-----5-----|
```

This, by the way, is also the tab for the first and second verses, only it s repeated 11
12 times instead of 4 times.
