

Shine

Anna Nalick

Intro: G C Am D (play only the two first strings from the bass)

**G** **C**  
Oh the night makes you a star

**Am** **D**  
And it holds you cold in its arms

**G** **C** **Am**  
You're the one to whom nobody verses I love you

**D**  
Unless you say it first

**G** **C**  
So you lie there holding your breath

**Am** **D**  
And its strange how soon you forget

**G**  
That you're like stars

**C** **Am**  
They only show up when it's dark

**D**  
Cause they don't know their worth

**C** **D**  
And I think you need to stop following misery's lead

Shine away shine away shine away

**G** **C** **Am**  
Isn't it time you got over how fragile you are

**G**  
We're all waiting

**C**  
Waiting on your supernova

**Am**  
Cause that's who you are

**C** **D**  
And you've only begun to shine

**G** **C** **Am**  
There are times when the poets and pornstars align and

**D** **G**  
You won't know who to believe in

**C** **Am** **D**  
Well that's a good time to be leavin'

**G** **C**

And the past... knocks on your door

**Am** **D**

And throws stones at your window at 4 in the morning

**G** **C**

Well maybe he thinks it's romantic

**Am** **D**

He's crazy but you knew that before

**C** **D**

And I think you need to stop following misery's lead

Shine away shine away shine away

**G** **C** **Am**  
Isn't it time you got over how fragile you are

**G**

We're all waiting

**C**

Waiting on your supernova

**Am**

Cause that's who you are

**C** **D**

And you've only begun to shine

**C** **D**

Yeah you've only begun to shine

**G** **C** **D**

Won't you shine shine shine shine over shadow

**G** **C** **D**

Shine shine shine shine over shadow

**G**

Shine shine shine shine over

**C** **D**

And I think you need to stop following misery's lead

Shine away Shine away Shine away

**G** **C** **Am**  
Isn't it time you got over how fragile you are

**G**

We're all waiting

**C**

Waiting on your supernova

**Am**

Cause that's who you are

**C** **D**

And you've only begun to shine

**C** **D**

Yeah you've only begun to shine

**C** **D**

Yeah you've only begun to shine
