1. Verse

G **F**
Last summer was mad, remember the rain,
Em **F** **G**
I know people complained, I had something else in mind.
G **F**
Not the sound of rain, against my window pain,
Em **F** **G**
all I could hear, was you hammering in my head

Chorus

#B **Dm** **#Bm**
Fall like a wave, against the rock,
Dm **#B**
leave with a rash, or get crushed,
G **Bm** **#B**
you ll never know, until after the shock,
G **F** **G*** **C** **G***
when you wake up, what s broken what s not.

2. Verse

G **F**
One day I don t know how, my whole life evolved,
Em **F** **G**

around you my lord, and believing was not enough.

G **F**
You said I was a hole in desperate need,
Em **F** **G**
and no love in the world, not even your s, could satisfy me.
G **F**
That s when the troubles began, and disasters came,
Em **F** **G** **#B**
one by one, I nearly drowned in that summer rain.

Chorus (Repeat 2 times, start with the following)

#B **Dm**
And fall like a wave ... (End chorus on Em instead of G*)

#B **Dm**
We fall like waves ...

(Repeat the last line of the chorus, end on C)
