1. Verse

G# **F#**
Last summer was mad, remember the rain,
Fm **F#** **G#**
I know people complained, I had something else in mind.
G# **F#**
Not the sound of rain, against my window pain,
Fm **F#** **G#**
all I could hear, was you hammering in my head

Chorus

#B Dm #Bm
Fall like a wave, against the rock,
Ebm #B
leave with a rash, or get crushed,
G# Cm #B
you ll never know, until after the shock,
G# F# **G#* C# G#***
when you wake up, what s broken what s not.

2. Verse

G# **F#**
One day I don t know how, my whole life evolved,
Fm **F#** **G#**

around you my lord, and believing was not enough.

G# **F#**
You said I was a hole in desperate need,
Fm **F#** **G#**
and no love in the world, not even your s, could satisfy me.
G# **F#**
That s when the troubles began, and disasters came,
Fm **F#** **G#** **#B**
one by one, I nearly drowned in that summer rain.

Chorus (Repeat 2 times, start with the following)

#B **Ebm**
And fall like a wave ... (End chorus on Em instead of G*)

#B **Ebm**
We fall like waves ...

(Repeat the last line of the chorus, end on C)
