1. Verse

A **G**
Last summer was mad, remember the rain,
F#m **G** **A**
I know people complained, I had something else in mind.
A **G**
Not the sound of rain, against my window pain,
F#m **G** **A**
all I could hear, was you hammering in my head

Chorus

#B Dm #Bm
Fall like a wave, against the rock,
Em #B
leave with a rash, or get crushed,
A **C#m** #B
you ll never know, until after the shock,
A **G** **A* D A***
when you wake up, what s broken what s not.

2. Verse

A **G**
One day I don t know how, my whole life evolved,
F#m **G** **A**

around you my lord, and believing was not enough.

A **G**
 You said I was a hole in desperate need,
F#m **G** **A**
 and no love in the world, not even your s, could satisfy me.
A **G**
 That s when the troubles began, and disasters came,
F#m **G** **A** **#B**
 one by one, I nearly drowned in that summer rain.

Chorus (Repeat 2 times, start with the following)

#B **Em**
 And fall like a wave ... (End chorus on Em instead of G*)

#B **Em**
 We fall like waves ...

(Repeat the last line of the chorus, end on C)
