C G Am

Fmaj7

Underneath your dreamlit eyes

Am Fmaj7

Shades of sleep have driven you away.

The moon is pale outside

C G Fmaj7

And you are far from here.

Am

Breathing shifts your careless head

Fmaj7

Untroubled by the chaos of our lives.

C

Another day - another night

G

Fmaj7

Has taken you again my dear.

G

And you know that I m gonna be the one

Fmaj7

Who ll be there

G

When you need someone to depend upon

C G Am

When tomorrow comes...

C G Am

Fmaj7

Last night while you were

Am

Lying in my arms

Fmaj7

And I was wondering where you were

C

You know you looked just like a baby

G

Fmaj7

Fast asleep in this dangerous world.

Am

Every star was shining brightly
Fmaj7
Just like a million years before.

C
And we were feeling very small
G Fmaj7
Underneath the universe.

G
And you know that I m gonna be the one
Fmaj7
Who ll be there when you need
G
Someone to depend upon

When tomorrow comes...

C G Am x2

C G Am Fmaj7

G
And you know that I m gonna be the one
Fmaj7
Who ll be there when you need

G
Someone to depend upon

C G Am
When tomorrow comes...

C G Am
When tomorrow comes...

C G Am
When tomorrow comes...

C G Am
When tomorrow comes...

C G Am C
Wait till tomorrow comes...
