

## Threshold

Anna Waronker

**Am**

Inside this life,

**D**

Under its spell,

**Am**

I close my eyes,

**D**

And live to tell.

**G**

**A**

The hands we're dealt,

**C**

**G**

**Em**

Will never disappear.

**A**

**C**

**G**

Death she grows near.

### CHORUS

**D**

People change,

And instantly.

**G**

I'm not the same girl,

**D/F#** **Em**

I used to be.

**D**

I can't erase all the memories,

**G**

But I can explain,

**D/F#** **Em**

If you're listening.

**C**

People change,

**G** **D**

Not just me.

**Am**

Locked up in silence,

**D**

A living hell.

**Am**

My heart still beats,

**D**

So I bid farewell.

**G**

**A**

The loving hand that saved me,

**C**

**G**

**Em**

Held too tight.

**A**

**C**

**G**

His darkness weighs on me at night.

CHORUS

**D**

People change,  
And instantly.

**G**

I m not the same girl,

**D/F#** **Em**

I used to be.

**D**

I can t erase all the memories,

**G**

But I can explain,

**D/F#** **Em**

If you re listening.

**C**

People change,

**G** **D**

Not just me.

**Am**

I never asked,

**D**

Or wanted to.

**Am**

You stepped across my threshold,

**D**

How could you?
