```

G      D      A      Em
O-ho o-ho o-ho o-ho
G      D      A      Em
O-ho o-ho o-ho o-ho

```

```

G      D      A      Em
It doesn t matter to me,
G      D      A      Em
If you don t see what I see,
G      D      A      Em
And you may not understand, no no
G      D      A      Em
Why life has thrown you this hand,
G      D
And I remember more than ever,
A      Em
We didn t have to fight to be together
G
We used to hang around
D
Grooving to a different sound
A      Em
But things have changed and now we re moving on

```

```

G      D      A      Em
And I believe it s time to walk away,
And it ain t easy,
G      D      A      Em
The sun will rise but on another day,

```

But you know

G **D**
Like the water finds the sea,
A **Em**
Your soul will always flow right back to me,
G **D** **A**
Like a river, a river,
Em **G** **D** **A**
Right back to me like a river, a river.

G **D** **A** **Em**
It s so sad but it s true,
G **D** **A** **Em**
No one can fix this but you, no
G **D** **A** **Em**
Although you ve done nothing wrong
G **D** **A** **Em**
We just can t carry on, no

G **D** **A** **Em**
And I believe it s time to walk away,

And it ain t easy,
G **D** **A** **Em**
The sun will rise but on another day,

But you know

G **D**
Like the water finds the sea,
A **Em**
Your soul will always flow right back to me,
G **D** **A**
Like a river, a river,
Em **G** **D** **A**
Right back to me like a river, a river.

G **D** **A** **Em**
I know I gotta set you free
G **D** **A** **Em**
Whatever will be will be
G **D** **A** **Em**
I know I gotta set you free
G **D** **A** **Em**
Whatever will be will be

G **D** **A** **Em**
And I believe it s time to walk away,

And it ain t easy,

G **D** **A** **Em**
The sun will rise but on another day,

But you know

G **D** **A** **Em**
Like the water finds the sea,

Your soul will always flow right back to me,

G **D** **A** **Em** **G** **D** **A**
Like a river, a river,
Right back to me like a river, a river.

(Like a river now)

G **D** **A** **Em**
And I believe it s time to walk away,

And it ain t easy,

G **D** **A** **Em**
The sun will rise but on another day,

But you know

G **D** **A** **Em**
Like the water finds the sea,

Your soul will always flow right back to me,

G **D** **A** **Em** **G** **D** **A**
Like a river, a river,
Right back to me like a river, a river.

Em **G** **D** **A**
Right back to me like a river, a river.
