

**A Love Song**  
**Anne Murray**

[Verse 1]

**G**  
There s a wren in a willow wood  
**G**  
Fly s so high and sings so good  
          **Am**      **D**          **Am**          **D**  
And he brings to you what he sings to you  
**G**  
like my brother the wren and I  
                                  **Am**          **D**          **Am**          **D**  
well he told me if I try I could fly for you and I wanna try for you  
cause....

[Chorus]

**G**                          **Am**  **D**  
I wanna sing you a love song  
          **Am**                          **D**          **G**  
I wanna rock you in my arms all night long  
                          **Am**  **D**  
I wanna get to know you  
          **Am**                          **D**          **G**  
I wanna show you the peaceful feeling of my home

[Verse 2]

**G**  
Summer thunder on moon bright days  
**G**  
Northern lights and sky s ablaze  
          **Am**      **D**  
And I bring to you  
                          **Am**          **D**  
Love it when I sing to you  
**G**  
Silver wings in a fiery sky  
**G**  
Show the trail of my love  
          **Am**      **D**  
And I wanna sing to you  
          **Am**                          **D**  
Love is what I bring to you  
          **Am**                          **D**  
And I wanna sing to you

ohh.....

[Chorus]

I wanna sing you a love song  
I wanna rock you in my arms all night long  
I wanna get to know you  
I wanna show you the peaceful feeling of my home

[Instrumental]

**Em C D Bm E**

[Chorus]

I wanna sing you a love song  
I wanna rock you in my arms all night long  
I wanna get to know you  
I wanna show you the peaceful feeling of my home  
I wanna show you the peaceful feeling of my home
