**Bm**: 224432

**A**: xx2220

**Em**: 022000

**F#**: 244322

**F**: 133211

Verse 1:

**Bm**      **A**      **Em**  
Your love  
         **F#**      **Bm**                      **A**      **Em**  
your love is second hand, you know  
         **F#**      **Bm**                      **A**      **Em**  
You didn't let me see at all,  
                 **F#**                      **Bm**                      **A**      **Em**      **F#**  
You dragged your own feelings here to us

Verse 2:

**Bm**      **A**      **Em**  
I walk  
         **F#**      **Bm**                      **A**      **Em**  
I walk until I see the place,  
         **F#**                      **Bm**                      **A**      **Em**  
That reminds me of yesterday  
         **F#**                      **Bm**                      **A**      **Em**      **F#**  
And throw all your lies away

Pre-Chorus:

**Em**                      **A**                      **F#**                      (**F#** - **F**)  
You could have done it so much better,  
**Em**                      **A**                      **F#**  
You could have told me I was never the one

Chorus:

**Bm A Em**  
And never lend me your heart  
**F# Bm A Em F#**  
I m a disorder but you weren t too much order  
**Bm A**  
I can fly with you  
**Em F#**  
Start, restart, undo  
**Bm A Em F#**  
But I can never forget the pain you made  
**Em A**  
I m not L.A to you (x2)  
**F#**  
Once more

Verse 3:

**Bm A Em**  
Your talks  
**F# Bm A Em**  
your talks are second hand, you know  
**F# Bm A Em**  
And I don t want them any more  
**F# Bm A Em F#**  
To be next to my sweet, sweet, sweet soul

Verse 4:

**Bm A Em**  
I thought  
**F# Bm A Em**  
that you and I could make a song  
**F# Bm A**  
Telling all the stories of  
**Em F# Bm**  
how loners do go on

Bridge:

**Bm A Em F#**  
I still hear your guitar in my ear  
**Bm A Em**  
And I hear you whispering your lot  
**F# Bm**  
I feel, I feel your heart  
**A Em F#**  
Beating fast enough to be making love, to be making love

(Pre-Chorus)

(Chorus)

(Pre-Chorus)
